## **EVERY BRILLIANT THING CONTINUES R-S THEATRICS SEASON**

**Living in the shadows of humor and empathy you'll find a million brilliant things**

(St. Louis, MO): R-S Theatrics is proud to offer this thought-provoking production that shows the humor in light and dark of life with the St. Louis premiere of **EVERY BRILLIANT THING** by **Duncan Macmillan** at the Kranzberg Arts Center, Black Box on November 16 through December 2, 2018.

R-S continues its 8th Season - *the Season of The Not-so-Perfect Past* - with an intimate story of a young woman who has lived in the shadow of mental illness. As she attempts to raise her mother's spirits she starts a list of everything that is brilliant in the world; her reasons for living. We follow her life as she experiences love, loss, and depression of her own. The list begins to evolve into a reminder that joy can be found even in what seems an insignificant moment and we ask, "What's on your list?"

**NANCY NIGH** (Narrator) inspires the audience with laughter in an immersive, engaging play like no other. Duncan Macmillan's **EVERY BRILLIANT THING** shines a hilarious and compassionate light in dark corners of the human condition and produced in a way that is refreshingly theatrical. A reminder that hope is never truly lost, and a testament to the healing power of storytelling.

**EVERY BRILLIANT THING** runs Friday and Saturday at 8 PM, and Sunday at 7 PM, November 16 - 30 and December 1 and 2 at the Kranzberg Arts Center, Black Box, 501 N Grand Blvd, St. Louis, MO 63103. Tickets are \$25/person or \$20/seniors or students and can be purchased through [Metrotix.com](http://Metrotix.com). R-S Theatrics can be found at [www.r-stheatrics.org](http://www.r-stheatrics.org).
